

FR. JIM CORMACK

Fr. Jim Cormack comes from a big Chicago family, and entered the seminary in 1963 right after grade school. He was ordained to the priesthood in 1976.

Fr. Jim spent most of his priestly years doing parish work, having ministered in both urban areas with poor parishes and serving as pastor of St. Catherine Laboure Parish in the suburbs of St. Louis.

Says Fr. Jim, "I am an aging, happy priest who has been blessed with parishioners who have inspired me and taught me how to love more deeply, and how to love them. As I served, I was being served. When I speak, the wisdom of God's spirit transforms my words to preach the good news of the Lord. This is a gift I hope to share with The God Minute community.

Pray for me, and I will pray for you."
