

GARY MEDLEY

Growing up in Jefferson County, MO, Gary was the sixth of nine children. His parents taught him the value of hard work and love of family and community. He retired from a career in sales in 2020 and now devotes his time to his faith, family, and friends.

His spiritual journey began in early adulthood when he converted to Catholicism. Since then, he has completed the Spiritual Companion program through the Oblate School of Theology in San Antonio, TX. He is currently enrolled in the Lay Formation program through the Archdiocese of St. Louis, preparing him for further service to Our Lord's Church. He loves to share his love for God and the Church through reflective writing.

Gary lives in Fenton, MO with his wife of more than 45 years. He loves spending time with his children and grandchildren and feels God has called him to live out his vocation as a husband and father.
