

GERRY STROHMEYER

Gerry and Fr. Ron were the founding team behind The God Minute. As a Human Resources Manager for a multinational company, Gerry spent his professional career empowering employees to appreciate and embrace their particular gifts and talents – especially as they contributed toward a shared objective.

In addition to his professional career, Gerry's vocation has been organizing and leading spiritual retreats for both teens and adults. Charged with the Vincentian spirit, he has led mission trips to Hopi and Navajo reservations in the Southwest, the inner cities of Chicago, St. Louis, and San Antonio, and to the border towns of El Paso/Juarez and Brownsville.

Today, Gerry enjoys the bliss of retirement where he lives surrounded by family in Cape Girardeau, MO. In between his continued work of presence and organized retreats, Gerry is busy with the best ministry of all: grandchildren!
