

EMILY JOELLENBECK

Emily serves The God Minute as our Executive Director and a Prayer Leader on the team. She graduated from McKendree University with a B.S. in Computer Science and spent a bit of time in the banking and legal industries before becoming a stay-at-home mom for her two boys.

Emily rejoined the workforce when her kids began school, but this time within the nonprofit sector. She has worked for nonprofits for more than 15 years, including a Catholic grade school, a Catholic high school, and the Boy Scouts of America.

Her nonprofit experience is in marketing and graphic design, special event management, and fundraising. Emily is looking forward to bringing her experience in technology and nonprofit management to The God Minute, increasing her relationship with prayer, helping to spread the Word of God, and furthering the Catholic mission.

Emily also serves as a member of the Development Board for a local organization that ministers to the unhoused through warming locations and services for identifying and lobbying for low income housing, serves as one of the team's communications director, also fills in a time or two as a substitute volunteer.

Emily's home office can be found in Edwardsville, IL, where she lives with her two young adult sons, two dogs, and a cat. She and her boys are active members of St. Boniface Catholic Church. She loves spending time with her family, knitting, painting, cooking, baking, and gardening and can often be found working on DIY improvements on her 120+ year old craftsman-style home.
