

TERESA R. MANNA

Teresa earned a Bachelor of Arts in Communications from Truman State University and has dedicated more than three decades to serving the Catholic Church. She began her career in stewardship education and development for the Archdiocese of St. Louis before joining the Vincentian mission of the Western Province, where she has served as Chief Development and Communications Officer for the past 22 years.

Teresa and her husband, Lee, have been married for 35 years. Together they have two grown children and are joyfully awaiting the arrival of their first grandchild—a blessing they describe as a true miracle.

Teresa's first TEC retreat ignited a deep passion for Christ and marked the beginning of her daily dialogue with Jesus. Since then, she has remained actively involved in ACTS retreats at her parish and has participated in several women's prayer groups, encouraging other women to deepen their relationship with God through prayer.

Teresa describes herself as an ordinary Christian woman who strives and struggles each day to faithfully live out her Catholic faith and make a meaningful difference in the lives of others.
