

The Five Wounds DEVOTION

HISTORY

The purpose of the Five Wounds Devotion is to draw closer to Christ and His Passion by reflecting on the wounds He received while on the Cross: the four on each of His hands and feet and the one in His side. It gives glory to these wounds and to the mercy that we are given through Christ's suffering and death. The devotion is similar to the rosary where a wound is stated and then meditated on during the following prayers. A Hail Mary is said at the end of each group of prayers in honor of Our Lady of Sorrows.
